Add outward entry

- Use the Stock Outward modal to record items being consumed or distributed.
- Select the specific item from your available inventory.
- Specify the quantity being removed from stock.
- Optionally provide a reason for the outward movement to maintain a clear audit trail.

4. Transfer Stock

The screenshot displays the MSChellamuthu Inventory Management System interface. On the left is a sidebar with navigation links: Dashboard, Inventory, Stock Inward, Stock Outward (highlighted), Categories, Programs, Suppliers, Reports, Price History, Users, Branches, and Requests. The main content area is titled 'Stock Outward' under 'INVENTORY MANAGEMENT'. It includes a date 'Saturday, 04 July 2026', buttons for 'Import' and 'Transfer', a search bar 'Search items...', a dropdown for 'All Branches', and a user profile 'Admin Store Manager'. A '+ Add outward entry' button is in the top right. Below the header, a 'Recent Issues' section shows a table with columns: ITEM NAME, QUANTITY, ITEM CODE, SERIAL NUMBER, ISSUED TO, TOTAL PRICE, and DATE. The table is currently empty, displaying 'No movements found.'

- Seamlessly move inventory between different blocks within your current branch.
- Transfer stock to an entirely different branch location.
- Note: Transfers directed to a different branch will be queued for administrator approval.
- Stock is only deducted after the receiving branch administrator approves the transfer.

5. Bulk Import

The screenshot displays the MSChellamuthu Inventory Management System interface. On the left is a sidebar with navigation links: Dashboard, Inventory, Stock Inward, Stock Outward (highlighted), Categories, Programs, Suppliers, Reports, Price History, Users, Branches, and Requests. The main content area is titled 'Stock Outward' under 'INVENTORY MANAGEMENT'. It includes a date 'Saturday, 04 July 2026', a 'Stock Outward' header, and a '+ Add outward entry' button. Below this is a 'Recent Issues' section with the subtitle 'Latest supplies issued'. A table with columns 'ITEM NAME', 'QUANTITY', 'ITEM CODE', 'SERIAL NUMBER', 'ISSUED TO', 'TOTAL PRICE', and 'DATE' is shown, but it contains no data, displaying 'No movements found.' instead. The top right of the interface shows the user 'Admin' as the 'Store Manager'.
